
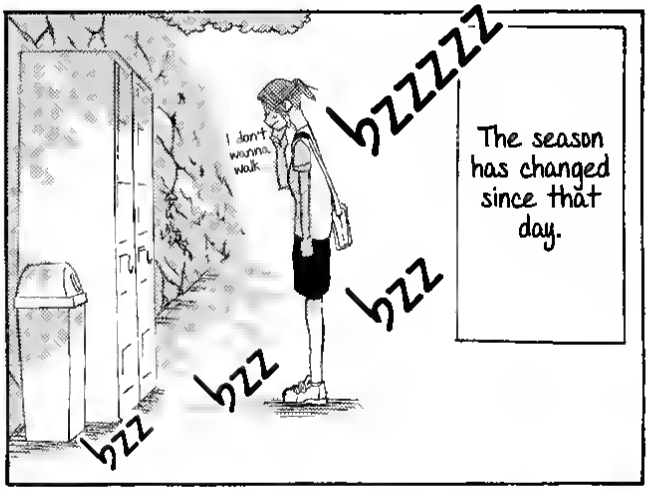
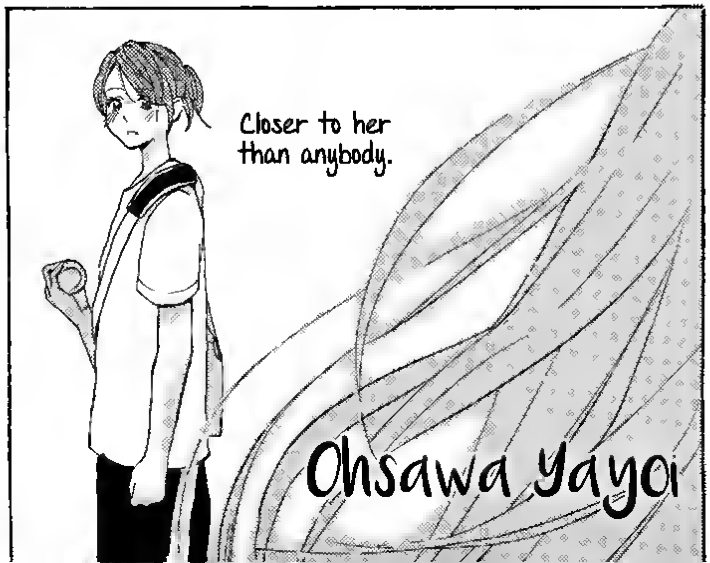
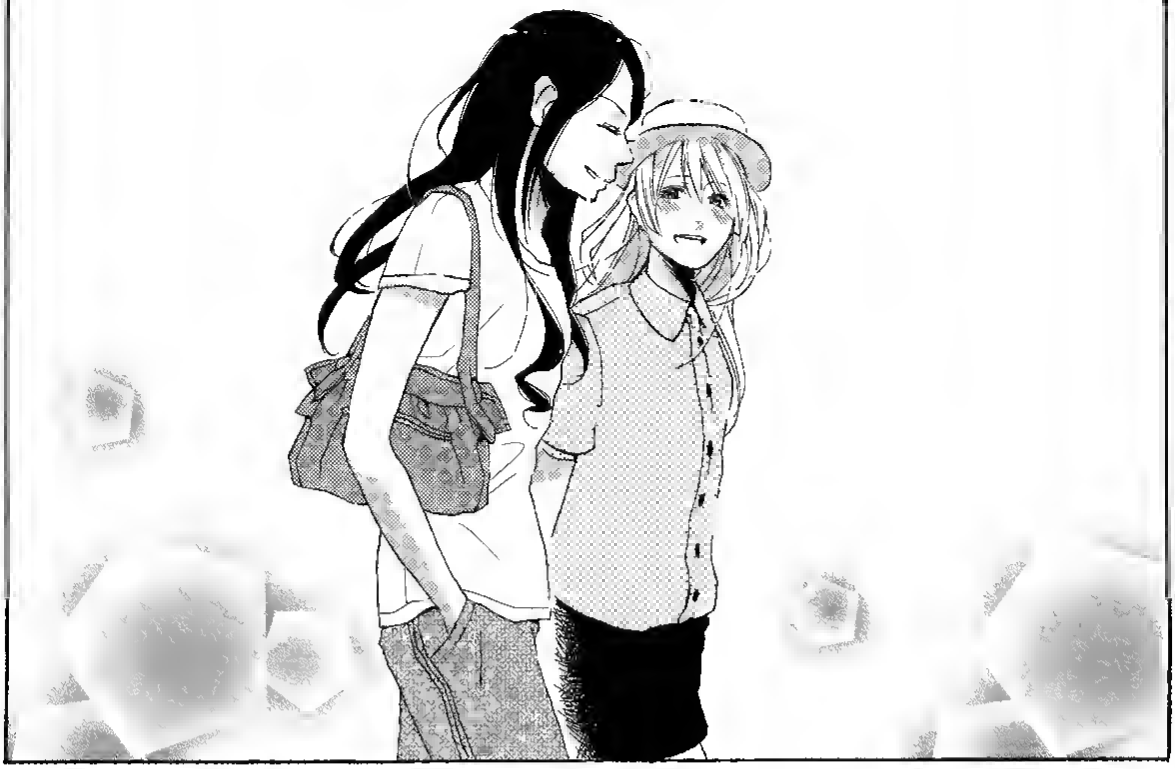
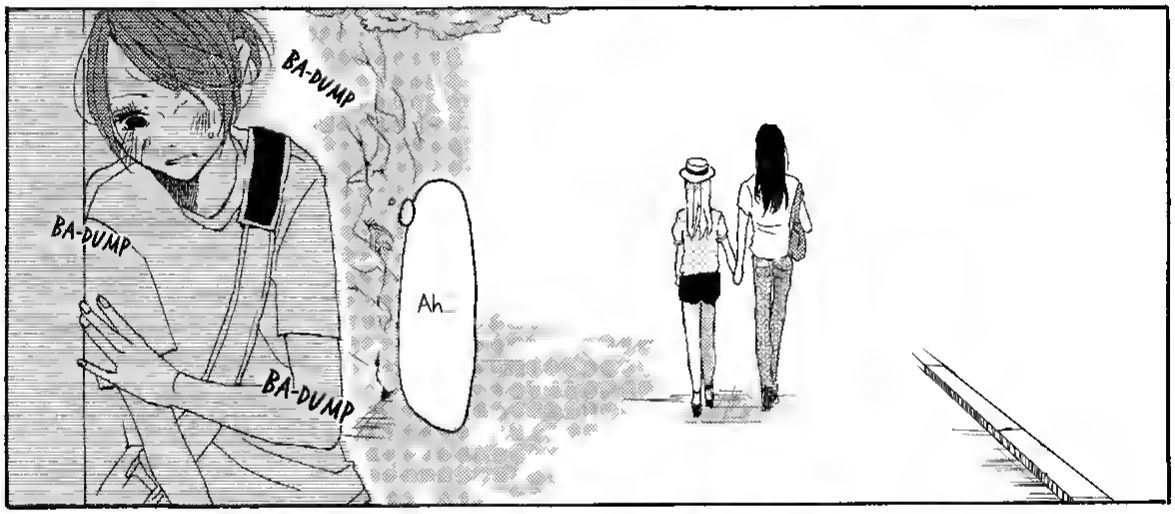
Love, Heat Haze, End-of-Summer Regrets





Ohsawa Yayoi





She wasn't quite like the person I'd been imagining to myself...

but I felt it right away.

That's when I saw them for the first time.

I knew I could never win.
I mean
Just look at the way Megumi-chan was smiling.
SHE WAS SO DAMN CUTEEE-EEEE...
I know myself that I'm stubborn, and don't know when to give up.
ASH!!

One more, Barkeep!
Pwah!!
that got rejected that day, before I ever had a chance to convey them, are futile.
I know the feelings
GLUG
GLUG
GLUG
Yet there will still be times my chest heats up like this.
Hoo...
WIPE
Pretty soon, summer break will be over...
buzz
bzz bzz
URK!
SHOOT! I'M GONNA BE LATE!
I know that the season will change again...
DASH
and I'll still be in love with her.

End.
